

DETERMINATE TO SAY NO TO DRUGS

from **Lemonade Mouth**

[Chorus]

Gotta turn the world away from drugs
"SAY NO"
Determinate, Determinate
Push until you can't to fight and win the war
D-Determinate, D-Determinate
You and me to-ge-ther,
We can make it bet-ter
Gotta turn the world away from drugs
"SAY NO"
D-determinate, D-determinate

Hey, to feel this way
it s every day
I gotta make the promise now!
I shouldn't wait or be afraid
To stand up proud and say it loud
I know I [3x]
Gotta do it
I know I [3x]
Gotta do it

Gotta turn the world away from drugs
"SAY NO"
Determinate, Determinate
Push until you can't to fight and win the war
D-Determinate, D-Determinate
You and me to-ge-ther,
We can make it bet-ter
Gotta turn the world away from drugs
"SAY NO"
D-determinate, D-determinate

Hey, to feel this way
it s every day
I gotta make the promise now!
I shouldn't wait or be afraid
To stand up proud and say it loud
Hey, to feel this way
it s every day
I gotta make the promise now!

[Back to Chorus]
